AIDS/HIV

The Gavilan Joint Community College District is committed to providing a safe as well as fair, sensitive and nondiscriminatory environment that is in compliance with Federal, State and local restrictions. The District treats all employees and students equally without regard to their HIV-antibody status or the presence of AIDS disease. An individual with AIDS, or who tests positive for the HIV antibody, will not be denied employment or enrollment for instruction in the district as long as he/she is able to perform in accordance with the respective standards of each position. The District will not deny a person who has AIDS, or tests positive for the HIV antibody, any benefits to which he/she is eligible. Persons with AIDS, or who are perceived to have such conditions, are considered protected under state and federal law and shall be provided with accommodations necessary to meet their disability-related needs. A student with AIDS may be served through state-funded Accessible Education Center if the condition imposes functional limitations that impede access to the educational process. The medical records of a student are confidential and such information may not be related without the written consent of the individual, except as provided by law.

There is no medical necessity to advise co-workers or students of the presence of a person with AIDS or a positive HIV-antibody test. Persons with AIDS or a positive HIV-antibody test result shall not be denied equal access to student unions, cultural or athletic events, dining areas, gymnasium, swimming pools, recreation facilities, or other common areas. Persons with AIDS or a positive HIV-antibody test result shall be given referrals to appropriate medical care and counseling.

The Gavilan College Vice President of Student Services shall move quickly and effectively to deal with any incident of harassment or psychological or physical abuse inflicted on students or employees who may have or are suspected to have AIDS or a positive HIV-antibody test. The coordinator of Student Health Services will serve as a spokesperson to answer questions about its AIDS policies and will be prepared to address the social questions, civil rights issues, and public health considerations. Authority of Instructors

Gavilan College instructors have full authority in their classrooms. Every student is expected to attend classes and to satisfy the instructor that the work of the course is being performed in a systematic manner.

Students whose classroom behavior is inappropriate may be removed from the class for the day of the removal and the next class meeting (see Student Discipline Procedures). Any student who refuses to leave a classroom when requested to do so by the instructor or an administrator of the college is subject to disciplinary action.

Students who feel that an instructor's authority has been misused may seek due process by initiating the Student's Problem Resolution Process.

- Except in situations where young people are officially enrolled/participating, parents, guardians and adult caregivers are responsible for being with children at all times and must monitor all activities and behavior of their children while on campus.
- Any child found unattended will be reported to the Gavilan Security Office and/or the Sheriff's Department.
- Adult students and employees should plan for childcare as children are not intended to be a part of the classroom learning environment or workplace at Gavilan College.
