Institutional Effectiveness Committee

Welcome to the Institutional Effectiveness Committee's (IEC) web site!

The Institutional Effectiveness Committee (IEC) will review all Gavilan's programs and services according to the mandates of the Chancellor's Office. The IEC will use a self-study report provided by each program or service followed by a validation process to accomplish its purpose.

Program review cycle will be between 3-5 years and will be established by a schedule published by the IEC. The Dean's Council may request programs be reviewed out of sequence because of cost, falling enrollment or needs assessment.
