Re: Facilities Services Square Footages

Here is the Lighting count for the Selux - Riturno (Round Symmetrical) lights:

83 - lights along Sycamore Lane

2 – in front of the Administration building

2 – in the D Parking Lot

11 – along the pathway to the tennis courts

98 – total

The old original lights 120 VAC; 100 watt HPS lights, not on the original job specification:

4 – near the PBs 1-6 along walkway

7 – between CDC and HOB walkway

3 – Life Science – walkway from south lawn

3 – Water Fall picnic area

9 – Student center and lawn area shines onto flagpole

3 – at the Gymnasium weight room tennis courts

29 – total

APE or G parking Lot; 250 watt metal halide.

7 – parking lot lights total
