| You have not determined your DEGREE path and therefore should see a counselor or proceed to the What If function to seek advice on various programs that might interest you. The following evaluation will display the Gavilan General Education Pattern Requirements unless you have formally selected either the IGETC or CSU pattern. Until a major is declared, the minimum Writing, Reading, and Math requirements will reflect the current catalog standards. You must complete a total of 48 units at Gavilan College or the last 12 units at Gavilan. If you choose to complete the last 12 units at Gavilan, please see your counselor. |                                                                                                                      |
