Hi Everyone-

Before you head into finals and then off for the summer, do you need some quick and to the point Canvas training?

You have come to the right place!

We are offering several sessions during the month of May and include two different topics. All sessions help in the TLC. Register for one of the sessions below, here: <http://www.gavilan.edu/staff/tlc/training.php>.

Using Canvas: Top 10 Essential tips to get started. Are you thinking of using iLearn in your face to face class? Are you teaching a class using Canvas for the first time? Then this class is for you.

Offered: May 2nd 12:30-1:30pm

May 8th 12:30-1:30pm

May 17th 12:30-1:30pm

Using Canvas: Beyond the Basics. Beyond the basics takes you from beginner to intermediate Canvas skills. If you have been using just basic features of Canvas but want to learn more, this class is for you.

Offered May 3rd 1-2pm

May 9th 2:30-3:30pm

As always, if these dates do not work for you, just let us know. We are happy to schedule a custom date that works for you.
