SUBJECT: Public Hearing and Approval of the Final Budget FY 2017/18

☑ Resolution: BE IT RESOLVED,
☐ Information Only
☒ Action Item

Proposal:
1. Conduct public hearing for the public to comment on the Final Budget FY 2017/18.
2. That the Board of Trustees approve the Final Budget FY 2017/18.

Background:
The Final Budget FY 2017/18 has been available for public view since September 4, 2017 in the Business Office. In the interest of reducing paper, a hard copy of the Final Budget FY 2017/18 is attached for Board members only. The Final Budget Report can be viewed at the following link: http://www.gavilan.edu/budget/index.html. Hard copies are available upon request from the Office of the President.

The Final Budget has been developed using revenue estimates provided by the Chancellor's Office, California Community Colleges and judgments made by staff as to the amounts of local revenues anticipated from the college's various activities. For example, the Final Budget is based on a COLA of 1.56% funded and a 2% increase to salary schedules. Expenditure projections have been made in consideration of all known and anticipated expenditures. Expenditures include resources to meet the District's collective bargaining commitments and general operations.

For FY 2017/18, the Final Budget provides for a projected ending fund balance in the Unrestricted General Fund at June 30, 2018 of $4,353,229 or 12.64% of total expenditures and transfers out.

The attached Final Budget has been reviewed by the Board Budget Committee.

Budgetary Implications:
The FY 2017/18 Final Budget shows projected expenditures equal to revenues of $34,441,590. The result of these projections is a balanced budget for FY 2017/18.
Follow Up/Outcome:
Make adjustments as required.

SUBJECT: Expenditure Plan for FY 2017-2018 Proposition 30 Education Protection Act Funds

☐ Resolution: BE IT RESOLVED,
☐ Information Only
☒ Action Item

Proposal:
The Board of Trustees approves the allocation of the Proposition 30 funds for FY2017-2018
as detailed on the attached worksheet.

Background:
Proposition 30, The Schools and Local Public Safety Protection Act of 2012, temporarily
increases the state sales tax rate for all taxpayers and the personal income tax rates for upper-
income taxpayers. It was approved by voters in November 2012. To ensure that the funds are
used as intended, several requirements were included in the proposition:
• Governing Boards must determine how the funds will be spent at a public meeting
• Districts may not use Proposition 30 for administrative costs
• Revenues and expenditures must be reported in the annual fiscal audit
• Accounting of funds must be published annually on the District’s website

For FY2017-2018, the District Proposition 30 amount is estimated at $4,104,186.

Budgetary Implications:
The Proposition 30 funds are already reflected in the FY2017/18 budget; this is not additional
income to the college.

Follow Up/Outcome:
Spending plan for Proposition 30 funds will be published on the District’s website and reported
in the annual fiscal audit.

☑ Resolution No. 1030: BE IT RESOLVED, Ratification of Application for Fiscal Independence from Santa Clara County starting on July 1, 2018

☐ Information Only

☑ Action Item

Proposal:
That the Board of Trustees approve Resolution No. 1030 Application for Fiscal Independence from Santa Clara County starting on July 1, 2018.

Background:
Under Education Code Section 85266.5, fiscal independence is granted by the Board of Governors based largely on the recommendation from the District’s applicable county office and results of an independent Certified Public Accountant survey of the district’s accounting controls. Fiscal independence gives districts broad authority to issue warrants without review or approval of the County Office of Education (COE) or County Auditor. The Santa Clara COE contracted auditor recently completed the audit of the district’s accounting controls, and concluded the district was in full compliance.

Budgetary Implications:
The District is estimated to save $36,000 in Santa Clara COE administration fees.

Follow Up/Outcome:
Upon approval file the application with the Santa Clara COE.

Recommended By: Frederick E. Harris, Vice President of Administrative Services

The Gavilan Joint Community College District hereby applies for fiscal independence in issuing its own warrants under the provisions of Education Code Section 85266.5. The district Superintendent/President and Vice President of Administrative Services acknowledge that fiscal independence for the district is predicated on the continuing adherence to the following Board of Governors standards:

**Standard 1: Adequate Fund Balances:** The district has avoided deficit balances in its governmental funds and has maintained a prudent reserve in its unrestricted general fund over the preceding five fiscal years.

**Standard 2: Statute and Governing Board:** The district makes only lawful and appropriate expenditures in carrying out the programs authorized by statute and by the governing board.

**Standard 3: Adequate Internal Controls:** The staff of the accounting, budgeting, contracts, management information systems, internal audits, personnel, and procurement departments are adequate in numbers and skill level to conduct administrative programs independent of detailed review by the county office of education and to provide an internal audit function that assures adequate internal controls.

**Standard 4: Legality and Propriety of Transactions:** The staff of the accounting, budgeting, contracts, management information systems, internal audits, personnel, and procurement departments exercise independent judgment to assure the legality and propriety of transactions.

NOW, THEREFORE, BE IT RESOLVED, that the Gavilan Joint Community College District will file the application to operate as fiscally independent from Santa Clara County starting on July 1st, 2018.

FORM 00219 (11/98)
CONTRACT FOR DEPOSIT OF MONEYS

THIS CONTRACT, relating to the deposit of moneys, is made as of the 28th day of August, 2017, between Wade W. Ellis, CPA ("Treasurer"), acting in his or her official capacity as Associate V.P. Business Services and Security of Gavilan Joint Community College District ("Depositor"), and MUFG Union Bank, N.A. ("Bank"), as depository and having a shareholder’s equity of Sixteen Billion, Two Hundred Nine Million, Eight Hundred Fifty Seven Thousand Dollars ($16,209,857,000.00) on March 31, 2017.

The Treasurer proposes to deposit in the Bank from time to time moneys in his or her custody in an aggregate amount on deposit at any one time not to exceed the total shareholder’s equity of the Bank and said moneys will be deposited subject to Title 5, Division 2, Part 1, Chapter 4, Article 2 (commencing with Section 53630) of the Government Code of the State of California.

The Government Code requires the Treasurer to enter into a contract setting forth the conditions upon which said moneys are deposited with the Bank.

In the judgment of the Treasurer, this contract is to the public advantage.

The parties agree as follows:

1. This contract cancels and supersedes any previous contracts between the Treasurer and the Bank relating to the method of collateralization of Depositor’s deposits.

2. This contract, but not deposits then held hereunder, is subject to termination by the Treasurer or the Bank at any time upon 30 days' written notice. Deposits may be withdrawn in accordance with the agreement of the parties and applicable federal and state statutes, rules and regulations. This contract is subject to modification or termination upon enactment of any statute, rule, or regulation, state or federal, which, in the opinion of the Administrator of Local Agency Security of the State of California (the “Administrator”), is inconsistent herewith, including any change relative to the payment of interest upon moneys so deposited by the Treasurer. Upon notice to the Treasurer from the Administrator that the Bank failed to pay assessments, fines or penalties assessed by the Administrator, the Treasurer may withdraw Depositor’s deposits from the Bank. Upon notice to the Treasurer from the Administrator that the Bank failed to pay fines or penalties assessed by the Administrator, the Treasurer may immediately withdraw authorization for the placement of pooled securities with the Agent of the Bank.

3. Interest shall accrue on any moneys so deposited as permitted by any act of the Congress of the United States or by any rule or regulation of any department or agency of the federal government. If interest may legally be paid on the account into which the moneys are deposited, then all moneys deposited shall bear interest at a rate agreed upon by the Treasurer and the Bank.

4. The Bank shall issue to the Treasurer for each inactive deposit a receipt or other evidence of deposit on a form agreed to by the Bank and the Treasurer, stating, when required, the interest to be paid, if any, the duration of the deposit, the frequency of interest payments, if any, and the terms of withdrawal. Each such form is by reference made a part of this contract.

5. The Bank will maintain at all times with the Agent of the Bank as security for Depositor's deposits (a) eligible securities of the classes described in Government Code Section 53651, except subdivisions (m) and (p), having a market value at least 10% in excess of the total amount of deposits secured by those securities, (b) eligible securities of the class described in subdivision (m) of Government Code Section 53651 having a market value at least 50% in excess of the total amount of deposits secured by those securities, and (c) eligible securities of the class described in subdivision (p) of Government Code Section 53651 having a market value of at least 5% in excess of the total amount of deposits secured by those securities. If the Administrator determines that a security is not qualified to secure public deposits, the Bank will substitute other securities to comply with the requirements of this paragraph.

6. Eligible securities are those listed in Government Code Section 53651.

7. The Treasurer hereby waives security for that portion of the total amount on deposit which is insured pursuant to federal law.

8. The Agent of the Bank, which the Treasurer and the Bank hereby authorize to hold the eligible securities posted as collateral under this contract, is the Trust Department of the Bank. The Agent of the Bank has filed with the Administrator an agreement to comply in all respects with all provisions of the Local Agency Deposit Security Law as set forth in the Government Code of Local Agency Deposit Security Regulations.

9. Authority for placement of securities for safekeeping in accordance with Government Code Section 53659 is hereby granted to the Agent of the Bank, including placement with any Federal Reserve Banks or branches thereof, and the following banks or trust companies, other than the Bank:

   Depository Trust Company, New York, New York;
   Citibank, New York, New York.
10. If the Bank fails to pay all of any moneys on deposit of the Depositor which are subject to this contract when ordered to do so in accordance with the terms of withdrawal set forth on the deposit receipt (which is by reference made a part hereof), the Treasurer will immediately notify, in writing, the Administrator. Action of the Administrator in converting the collateral required by paragraph 5 above for the benefit of the Depositor is governed by Government Code Section 53665.

11. The Bank may add, substitute or withdraw eligible securities being used as security for deposits made hereunder in accordance with Government Code Section 53654, provided the requirements of paragraph 5 above are met. The Bank shall not interchange classes of security (as defined in Government Code Section 53632.5) without the prior written approval of the Treasurer.

12. The Bank shall have and hereby reserves the right to collect the interest on the securities except in cases where the securities are liable to sale or are sold or converted in accordance with the provision of Government Code Section 53665.

13. The Bank will pay all expenses incurred in transporting eligible securities maintained as collateral for moneys on deposit to and from the Agent of the Bank. The Depositor will pay (or promptly reimburse the Bank for or otherwise compensate the Bank for) all expenses incurred in transporting all moneys deposited with the Bank to and from the Treasurer's office. The Depositor will pay the Bank (or otherwise compensate the Bank for) the fees and charges stated in the Bank's then current Schedule of Fees (unless the Bank and the Treasurer otherwise agree) for handling, collecting and paying all checks, drafts and other exchange or securities according to the Bank's normal practices.

14. This contract, the parties hereto, and all deposits governed by this contract shall be subject in all respects to Title 5, Division 2, Part 1, Chapter 4, Article 2 (commencing with Section 53630) of the Government Code of the State of California, and of all other state and federal laws, statutes, rules and regulations applicable to such deposits, whether now in force or hereafter enacted or promulgated, all of which are by this reference made a part hereof.

IN WITNESS WHEREOF, the Treasurer in his or her official capacity has signed this contract in quadruplicate and the Bank has caused this contract to be executed in like number by its duly authorized officer.
