PHIL 6A Comparative Religions

Advisory: Eligible for English 1A.
Transferable: CSU; UC; CSU-GE: C2; IGETC: 3B; GAV-GE: C2, F

Religion is a topic that ignites controversy -- most societies engage in religious practices, believe strongly in that tradition, and find a sense of identity within it. The controversy arises when differences are misunderstood, misrepresented, or placed in a hierarchy of assumed supremacy of one religion as superior to others. In this class, students explore the underlying commonality of various religious traditions, explore the uniqueness of the religions with which they are unfamiliar, and learn to see that diversity among beliefs doesn't have to create hostility. Students will explore religions from Indigenous Peoples throughout the world, East Asia (e.g. India), China, the Middle East, as well as some more recent trends in religion.

MATH ♦ ENGINEERING ♦ SCIENCE MAJORS

PLANNING TO TRANSFER?

Admission for these majors is very competitive

4-year universities stress preparation for the major over completion of general education major.

High-unit majors do not need to fulfill all general education requirements

You do not need to get an AA or AS degree to transfer

You should plan your sequential courses early.

can help you plan your courses to complete major preparation prior to transfer. Go to www.assist.org and see a counselor to develop an educational plan.

ALUMNI Profile

Cindy Starr

My whole life changed when I came to Gavilan College.

I graduated with a bachelor's degree in Fine Arts way back in 1976 and, shortly after, began a career designing and producing ceramics sea life sculptures which sold from the Monterey Aquarium to Nantucket and Hawaii. The business slowed down in the 1990s and I decided to go back to school. When I started at Gavilan in 1997, I knew nothing about computers! I earned AA degrees in both Business Skills and Accounting, while taking some computer graphics classes along the way and earning a little money as a work-study student.

I have now worked at Gavilan full-time for seven years. I am the one who updates and designs this schedule of classes, the school catalog and other Student Services and public information graphics projects. I love my job and it all started here!

FACULTY Profile

Blanca Artega

As a Gavilan Community College alumni I cannot express how thankful I am for having had the opportunity to begin my education here. I benefited greatly from Gavilan's great faculty and staff being the first in my family to attend college. I was able to receive financial aid and to become part of the EOPS program which provided the guidance and support I needed to reach my academic and personal goals.

After attending Gavilan Community College for two years, I graduated with an A.A. degree in Liberal Studies. I transferred to San Jose State University where I obtained a B.A. degree in Child and Adolescent Development with a minor in Sociology and an M.A. degree in Counseling along with a PPS Credential.

As an EOPS/CalWORKs counselor, I believe in assisting students in making informed realistic educational and career decisions. I am very excited about forming part of the Gavilan Community College family. It is my turn to give back to Gavilan and to assist others as I was assisted. Always remember that "SI SE PUEDE/ YES YOU CAN."
