DISTANCE LEARNING courses at Gavilan are offered in three different ways:

Online

Hybrid - online and classroom

Telecourses

Online Courses at Gavilan College

Online courses allow students who have access to a computer with an internet connection to take college credit classes. Students must have an email account before they register for the online course. Students will meet their instructors and classmates online. Your instructor may schedule one or more optional meetings on campus.

BE SURE TO NOTE THE STARTING DATE OF YOUR CLASS.

Unless you have made prior arrangements with the instructor, you MUST login by 11:59 pm on the first day of the course. Late adds must login within 24 hours of adding this course. If you miss the deadline you may be dropped. For help, contact your instructor or email disted@gavilan.edu

ORIENTATIONS: We strongly recommend students take one of the live orientations to online courses offered in the Gavilan Library. Please see the library homepage at: http://www.gavilan.edu/library/ for a schedule of orientations.

We encourage you to exercise the same kind of caution in a distance learning class as you would if you were taking an on-site class. Do not share personal information about yourself; do not give a stranger or new acquaintance your home phone number or address.
