Welcome to Gavilan College.

SUPERINTENDENT/PRESIDENT

The economic recovery is long in coming, yet Gavilan College remains financially stable. Gavilan College continues to provide the higher educational programs that you count on to transfer to a university, prepare for careers, and build academic and professional skills. Believe it or not, there is good news!

We have received a federal grant of \$1.2 million dollars per year for the next five years to strengthen our STEM programs (Science, Technology, Engineering, and Mathematics.) Our successful Water Industry Technology classes, piloted through the Community Education department, will be offered for credit in the Spring.

Last year's SB 1440 legislation, requiring that community colleges and California State Universities work together to develop transfer-approved associates degrees will begin to take the uncertainty out of transferring, by ensuring that all of the courses taken at a community college in completion of a pre-approved degree will be accepted by the university. Gavilan College is now offering two of these transfer degrees in Communications and Administration of Justice. More are on the way.

The Gavilan College Board of Trustees has passed a Student Success Policy. Our job is not just to get you enrolled, but to make sure you have the support and structures necessary to realize your goals. A newly created Student Success Center will serve as a hub for first-year students, providing a supportive environment and guidance in navigating success in college.

Have a great semester!

The Principles of Community provide the foundation which creates this environment. The expectation is that we maintain the highest ethical standards in order to establish an atmosphere of civility, honesty, cooperation, professionalism and fairness.

Gavilan College aspires to be:

Diverse

We embrace and celebrate diversity in all its forms (the heritage, achievements, uniqueness, and contributions of all our members) and seek to uphold an inclusive, open and enlightened community.

Open

We believe free exchange of ideas requires mutual respect, trust and consideration for our differences.

General Information

Attendance If you fail to attend the first class session you may be dropped by the instructor in order to admit waiting students. It is your responsibility to drop the course. Do not assume that the instructor will do so. You **MUST** officially withdraw from a class before the refund deadline in order to receive a refund, even if you have never attended the class.

Advisories A course advisory is recommended preparation for a course. It is not a prerequisite to taking a course but is strongly suggested that the advisory be met prior to enrollment, as success in the course may depend upon having that skill or knowledge level. This becomes critical in being able to read and understand college textbooks.

Campus Safety and Crime Statistics Contact the Gavilan College Security Department at **408-710-7490 (or dial "10" from any campus extension)** to report criminal or potential criminal activity.

Campus safety information and crime statistics are available online at www.gavilan.edu/safety. If you would like a hard copy of this information, copies are available at the Campus Security office (S/F bldg.) or call 408-848-4703 to have a copy mailed to you.

Course Repetition There are limits on the number of times a course may be repeated. For some classes, repeat information is indicated by the class description in the schedule. If there is no repeat notation following the class description, it may be repeated once without filing a petition, if a grade of D, F, NC or NP was earned. See 2011-2013 Catalog for details and procedures.

Pass/No Pass, Letter Grade Option Some courses have the option of a final grade of Pass/No Pass or a traditional letter grade of "A", "B", "C", etc. The grading option is shown by the class listing in the schedule. See 2011-2013 Catalog for details.

Prerequisites and Co-requisites A **prerequisite** is a course or skill level that is required **before** you can enroll in another course. Courses used to meet prerequisite requirements must have been completed with a "C" grade or better or "Pass". A **co-requisite** is a set of courses that you must take at the same time.

Challenging a Prerequisite: If you believe that you have the equivalent of a prerequisite through other means (courses at another college, AP tests, work experience, etc.) already fulfilled a prerequisite, or that a prerequisite has been improperly established or implemented, you may challenge the prerequisite by filing a **Challenge Form**. See 2011-2013 Catalog for details.

Transcripts will be released **ONLY** with written authorization. Telephone requests will not be accepted. The first two copies are free; there is a \$4 charge for each copy thereafter. Transcripts are normally sent out within ten business days of the request. This response time may be longer during busy periods such as the first two weeks of a new semester. Urgent requests cannot be honored during the late registration period but can normally be produced within 48 hours at a cost of \$7 per copy. Unofficial transcripts are available online.

Student Life - 408-852-2849

Student Activities Office supports students in the development of skills through participation in student life and campus activities. This office supports the ASB and student clubs and coordinates campus-wide events.

Associated Student Body (ASB) 408-848-4777

is the official student organization on campus and provides the majority of student input and recommendations on critical campus issues to faculty, staff, administration and the Board of Trustees.

Clubs - A variety of clubs and organizations provide opportunities to participate in scholastic, social, political, cultural and recreational pursuits. Club activities are coordinated and supported through the Student Senate. Students are encouraged to start clubs if they have a particular interest not represented currently on campus. ,

Student Senate is a representative body of students who meet weekly to plan, implement and evaluate college activities and services that meet the needs of Gavilan College students. Any student who meets the requirements of the ASB's by-laws may become a voting member of the Student Senate. The elected and appointed officers provide a liaison between the students and academic departments and student services. The variety of leadership positions allows for different levels of involvement so that students can balance their academic and extracurricular loads effectively.

The political and practical leadership skills that students develop through the ASB are supplemented through a leadership course offered through the Political Science and Psychology Departments (POLS 27; PSYC 27). The curriculum includes practical skills that are applicable to college-related opportunities and other professional and personal environments.

ASB Student Body Card revenue supports social and cultural activities on campus and provides the purchaser with free admission to athletic events, discounts at cultural events and free bluebooks and scantrons (testing supplies) in the bookstore. Community-wide businesses offer discounts to card holders such as reduced movie admissions, restaurant, gym, museum, computer and software discounts. ASB cards can be activated as library cards and come with 100 free prints. **Please note:** There is a \$2 charge for replacing lost ASB cards.
