

Big Time Education, Hometown Location!

Get ahead at Gavilan College.

There's no question that today's economy poses many challenges, both for students and job-seekers. Gavilan College makes your dreams affordable. You can save money by completing the first two years of college close to home, or gain the job skills that help you move ahead in your career.

You may be aware of some of our better-known programs, such as nursing, cosmetology, and law enforcement. Gavilan College also offers outstanding opportunities in career fields like aviation technology, biotechnology, and industrial technology. Students in all fields can benefit by adding computer applications or digital media to their skills, and Gavilan College offers a wide range of options.

Whether your goal is to transfer to a four-year university, to complete an associate's degree, to achieve career certification, or to improve your skills, Gavilan College has what you need to make your dreams a reality. You don't have to travel a long distance to go far. We hope to remain your "College of Choice."

A handwritten signature in black ink that reads "Steven M. Kinsella". The signature is written in a cursive style.

Steven M. Kinsella, D.B.A., C.P.A.,
Superintendent-President
