

College of Choice

Thank you for choosing Gavilan College! Here you will find a college community that is dedicated to your success. Our graduates tell us that Gavilan College is a place where they found a close-knit community, personalized attention and a sense of belonging that they still cherish. From faculty to the student services staff, you will have the opportunity to interact with educators who love being a part of the Gavilan College family.

While you are here, get involved in the many activities and resources Gavilan College has to offer, such as the Student Success Center, clubs, college governance, athletics, the arts, or the Writing Center. There are many ways to meet people, get involved in new things, and expand your horizons.

You may encounter challenges in attaining your goals. Most students do! Whether these challenges are personal, financial, or academic, know that you are not alone and that there are support services at the college to help.

Whether your goal is university transfer, an associate degree, or a certificate, I wish you much success.

Welcome to Gavilan College!
