CONTENT, STUDENT PERFORMANCE OBJECTIVES, OUT-OF-CLASS ASSIGNMENTS

Curriculum Approval Date: 10/13/2020

20 - 30 Hours

Content: Discussion of course requirements and objectives of the class. Stretching and conditioning drills will be introduced. Conditioning activities specific to the sport of football will be presented. This may include such drills as: NFL agility drill, weave and 'COD' drills. Students who repeat this class will have their skills or proficiencies enhanced by supervised repetition and practice.

Student Performance Objectives: Demonstrate proper stretching techniques. Identify the type of drill to be performed and get themselves organized to perform the drill by its name.

10 - 20 Hours

Content: Development of individual and team skills required for football. This may include working on pursuit, stunt and blitz drills by the defense and screens, draws, short yardage and the 2-minute drill for the offense. Discussions on the mental aspects required for intercollegiate competition will be held. Introduction and review of offensive and defensive schemes. Students who repeat this course will become more proficient in these skills through repetition of the drills. They will have an increased knowledge of the strategies involved in the offense and defense.

Student Performance Objectives: Demonstrate skill techniques specific to their individual position. Provide examples of what is meant by being "mentally tough". Execute the offensive and defensive systems in a scrimmage situation.

90 - 110 Hours

Content: Implement the game plan specific to that week's opponent. Students who repeat the course will improve on consistency and increase their success rate.

Student Performance Objectives: Execute the game plan set forth for that week's opponent.

13 - 18 Hours

Content: Individual meetings/evaluations of each player with the coach/instructor.

Student Performance Objectives: Evaluate your performance for the season and analyze areas for improvement.
