CONTENT, STUDENT PERFORMANCE OBJECTIVES, OUT-OF-CLASS ASSIGNMENTS

Curriculum Approval Date: 11/9/2021

15 - 20 Hours

Content: Information provided on course expectations and requirements. Stretching and conditioning activities specific to soccer will be introduced. Conditioning drills designed for improving soccer skills will be worked on. This would include ladder work to improve agility, fitness and decision making. In addition, defending drills such as 1 V 1, 2 V 1 and 2 V 2 will be practiced. Students who repeat the class will be provided with a leadership opportunity by the instructor. Repetition will increase proficiency of the skills required to execute these drills for those students repeating the class.

Student Performance Objectives: Demonstrate sport specific stretching by leading their teammates through a warm-up routine. Participate in the conditioning drills and execute a variety of defending drills.

28 - 38 Hours

Content: Continued development of the skills required to compete, such as progressive work on technique. Implement the base offense and defense that will be used throughout the season. Tactical work incorporating agility, fitness and critical thinking will be practiced. Drills such as offense vs. defense, 6 V 4 and 5 V 5 + 1 will be practiced. Students who repeat this course will become more proficient in these skills through repetition of the drills. They will gain a greater awareness of the tactical part of soccer. They will also increase the rate of speed at which they make these decisions during game play.

Student Performance Objectives: Execute the offense and defense in scrimmage and game situations, utilizing the skills developed. Evaluate decisions such as: should I keep the ball or pass, should I shoot or pass the ball and can I push up the field or do I need to get back on defense.

90 - 120 Hours

Content: Formulate and execute a game plan specific to that week's opponent(s). Students who repeat the class will gain an increased knowledge of the strategies involved in the sport of soccer as well as the opportunity to improve on their consistency.

Student Performance Objectives: Execute each game plan. Demonstrate advanced soccer skill level.

NOTE: The format for a day's class will generally be:

- warm-up (stretching and conditioning)
- technical work
- 5 V 5 small sided game
- topic training for the day (example - defense 1 V 1, 2 V 1 and 2 V 2)
- progression to the goal (same drills as above except taking it to the goal)
- scrimmage
- cool-down (stretching and conditioning)

NOTE: Each week is usually broken down into:

- Monday - technique work such as trapping and passing
- Tuesday - intercollegiate competition

---Wednesday - build on what was successful in the last game; this may include shooting, defensive play and shadow play

---Thursday - tactical work based on previous games, this may include a small sided game and/or give and go situations

---Friday - intercollegiate competition

2 Hours

Final.
