12 Hours

CONTENT: Practical test color application and bleaching. Practical test on sodium hydroxide. The importance of client safety will be emphasized. Practical tests.

12 Hours

CONTENT: Practical application of make-up, facials, and eye-brow arch. The importance of table set-up, safety measures, and client safety will be presented. Review all material covered to date in preparation for the practical final.

2 Hours

Final Exam: Written

METHODS OF INSTRUCTION:

Instructor lecture, lab demonstration, and student application

OUT CLASS ASSIGNMENTS:

Required Outside Hours 2

Assignment Description

Read any handouts provided and review the syllabus and course requirements.

Required Outside Hours 8

Assignment Description

Review related chapters in the textbook. Study for tests.

Required Outside Hours 4

Assignment Description

Review appropriate chapters in the book and study for tests.

Required Outside Hours 4

Assignment Description

Review chapters in textbook relating to the topics. Study for written midterm.

Required Outside Hours 8

Assignment Description

Review related chapters in the textbook and study for tests.

Required Outside Hours 10

Assignment Description

Review corresponding chapters in the textbook, as well as previous chapters and study for written finals.

METHODS OF EVALUATION:

Problem-solving assignments

Evaluation Percent

100

Evaluation Description

Written Exams
