CONTENT, STUDENT PERFORMANCE OBJECTIVES, OUT-OF-CLASS ASSIGNMENTS

Curriculum Approval Date: 06/8/2021

4.5-45 Hours

CONTENT: Students are introduced to course objectives, provide an assessment of their reading skills, have an orientation to the software and hardware used in the program, and discuss time management skills. Students take and leave phone messages.

Students focus on specific grammar points (ex.: future tense, would like to, and object pronouns); improve their reading skills in a self-paced environment. In lab, students work in their individual vocational modules (Retail, Hospitality Services, Construction Food Services).

STUDENT PERFORMANCE OBJECTIVES: Student will be able to take and leave phone messages. The ability to read, write and communicate orally about topics in their vocational field will be demonstrated.

4.5-45 Hours

CONTENT: Students ask questions about real estate needs and answer queries. Students focus on specific grammar points (ex.: object pronouns/placement of multiple object pronouns); improve their reading skills in a self-paced environment. In lab, students work in their individual vocational modules (Retail, Hospitality Services, Construction Food Services).

STUDENT PERFORMANCE OBJECTIVES: Student will be able to select housing after interpreting classified ads, interpret leasing and rental agreements, and fill out an application form. The ability to read, write and communicate orally about topics in their vocational field will be demonstrated.

4.5-45 Hours

CONTENT: Students report problems with machines, interpret operating instructions and warnings, fill out repair orders and give estimates. Students focus on specific grammar points (ex.: past continuous tense and two-word verbs); improve their reading skills in a self-paced environment. In lab, students work in their individual vocational modules (Retail, Hospitality Services, Construction Food Services).

STUDENT PERFORMANCE OBJECTIVES: Student will be able to understand function of machines at work and be

able to fill out a repair order. The ability to read, write and communicate orally about topics in their vocational field will be

demonstrated.

4.5-45 Hours

CONTENT: Students fill out rain checks, correct mistakes, and check sales receipts.. Students focus on specific grammar points (ex.: comparisons); improve their reading skills in a self-paced environment. In lab, students work in their individual vocational modules (Retail, Hospitality Services, Construction Food Services).

STUDENT PERFORMANCE OBJECTIVES: Student will be able to respond to complaints and make exchanges. The ability to read, write and communicate orally about topics in their vocational field will be demonstrated.
