Measure:

PLO:

ILO: 1,2,4,6

GE-LO: D3,E1,F1

Year assessed or anticipated year of assessment: 2017

CONTENT, STUDENT PERFORMANCE OBJECTIVES, OUT-OF-CLASS ASSIGNMENTS

Curriculum Approval Date: 11/10/2020 **DE MODIFICATION ONLY**

WEEK 1 3 HOURS Course introduction and overview. History and summary of leadership approaches and theories. Introduction to effective meetings, parliamentary procedure, and Robert's Rules of Order. Students will be able to identify and explain basic leadership theories. Students will recognize rules of parliamentary procedure and Robert's Rules of order when encountered.

WEEK 2 3 HOURS Overview of California Brown Act , AB 1725 community college shared governance legislation. Robert's Rules of Order, continued. Discussion of management vs. leadership. Review five practices and ten commitments of exemplary leadership. Students will be able to distinguish differences between management and leadership practices. Students will begin to analyze and synthesize parliamentary procedure. Review gender and cultural differences in leadership roles and group interactions.

WEEK 3 3 HOURS Review personal strengths and challenges related to personal leadership practices. Overview of leadership learning process vs. innate leadership abilities. Students will examine debate, and differentiate between leadership theories. Identify and practice major leadership methodologies of social science. Review political leadership in contemporary and historical democratic social movements.

WEEKS 4-6 9 HOURS Introduction to project planning and facilitation: goals, objectives, activity, and evaluation. What motivates leaders, and constituents? Identification of personal leadership challenges and on campus projects. Development of shared vision and vision statement. Begin project development. Students will apply knowledge of planning and facilitation to individual project development. Students will be able to develop, express, and modify shared vision statements. Students will prepare and organize activity planning. Students will demonstrate knowledge of Robert's Rules of Order, parliamentary procedure, community college shared governance, and the CA Brown Act by defining terms, recalling appropriate uses, etc.

WEEK 7 3 HOURS Importance of personal values in leadership-finding and expressing our voice. Students will discuss and identify a minimum of one on campus activity complete in order to practice and effective event/activity planning, coordination, and evaluation and personal leadership skills. Review mentoring principles in relation to goals for improving current leadership trends.

WEEK 8 3 HOURS Complete Keirsey Temperament Sorter. Explain and discuss identification of differences in temperament and approaches to benefiting from differences in preferences and style. Discussion of gender and cultural differences in leadership style. Students will be able to identify and communicate personal values. Students will interpret differences in temperaments and gender styles and begin to apply this knowledge in everyday situations. Begin conducting research on specific social, political, economic, or policy issues at the local or state level.

WEEKS 9-12 12 HOURS Components of effective leadership practices will be identified and explored, especially in relation to individual/group projects. Skills will include: seeking challenges and opportunities, serving as a model., clarification of values, fostering collaboration, sharing power and information, recognizing contributions, and celebrating accomplishments. Students will relate and compare differences in meeting styles. Students will be able to recognize and begin to experiment with a range of leadership skills and practices. Students will begin working on social change project on campus or in the community.

WEEKS 13,14 6 HOURS Students provide oral summaries of meetings attended: analysis of strengths and weaknesses; comparisons to Student Senate meetings, identification of Roberts's Rules and Brown Act uses observed. Update on project developments. Identification of "small wins" and challenges. Examine leadership as a function of power; types of power: formal/informal; positional/personal. Students will identify and compare power relationships observed and practiced in project development. Prepare for project presentations. Students will demonstrate leadership practice abilities in class by practicing the celebration of accomplishments and wins.

WEEK 15-17 9 HOURS Student project presentations: discussion of personal and objective processes involved, the role of communication, obstacles encountered, wins achieved, and further work to be accomplished. Whole class review and evaluation using standard evaluation format. Prepare for final exam. Students will demonstrate ability to summarize, evaluate group processes as well as individual leadership strengths and areas of growth.

WEEK 18 2 HOURS In class comprehensive final.
