#### **COURSE DESCRIPTION:**

Spanish for Health Professionals is a streamlined course which allows the student to master enough Spanish to survive in the healthcare field without loading them down with translation exercises. Vocabulary, grammar examples, practice activities and cultural topics are incorporated to relate to the occupational theme of nursing and healthcare. Students will practice communicative survival, using key vocabulary essentials to enable them to utilize their Spanish in the daily work situation, improving their ability to interact with their clients.

**PREREQUISITES:**

**COREQUISITES:**

**CREDIT STATUS:** N - Non Credit

**GRADING MODES**

P - Pass/No Pass

**REPEATABILITY:** R - Course may be repeated

Maximum of 99 times

## SCHEDULE TYPES:

- 02 - Lecture and/or discussion
- 05 - Hybrid
- 71 - Dist. Ed Internet Simultaneous
- 72 - Dist. Ed Internet Delayed

## STUDENT LEARNING OUTCOMES:

By the end of this course, a student should:

1. Develop foundational oral and writing proficiency of nursing and healthcare terms in the Spanish language.
2. Develop recognition of nursing and healthcare grammar in the Spanish language using comparative analysis with the nursing and healthcare terms in the English language.
