

Hello California Community Colleges,

Effective December 2020, Southern New Hampshire University established a statewide MOU with the California Chancellors Office for the Associate Degree for Transfer Program for a number of select SNHU bachelors programs.

The agreement will make it easier for students enrolled in select ADT programs to transfer to SNHU to complete their degree fully **ONLINE** (full or part time enrollment) at a discounted tuition rate. SNHU accepts up to 90 semester credits of transfer. [View Associate Degree for Transfer and SNHU Degrees here.](#)

Students who transfer to SNHU will:

Be guaranteed admission;

Be Granted Junior Standing;

Can Complete a similar Bachelor's Degree with 60 credits

If students have not completed an associate degree for transfer at a community college, IGETC and CSU transferable approved courses will be accepted for transfer credit based on the SNHU degree programs.

Special tuition discount. No application fees. No fees to procure transcripts.

California community college graduates, employees and immediate families are eligible to receive a 10% tuition discount on undergraduate and graduate degree programs. The student applies for the tuition discount via their my.snhu account after course enrollment. **Employees and family should utilize the enrollment page [here](#).**
