**Addendum to the  
Articulation Agreement  
Between  
Roseman University of Health Sciences, College of Nursing-Nevada  
and  
Gavilan College**

This addendum and Appendix changes the Articulation Agreement, dated March 1, 2013 between Roseman University of Health Sciences, College of Nursing-Nevada and Gavilan College.

On Page 3 under Section IV. MINIMUM ADMISSION REQUIREMENTS, the following has been added:

Students transferring from Gavilan College must meet the following minimum admission requirements to be **considered** for admission into Roseman University of Health Sciences – Accelerated Bachelor of Science in Nursing Program:

1. Submit a signed Roseman University of Health Sciences-College of Nursing application, with the required application fee,
2. Earn a Bachelor's degree from a regionally or nationally accredited institution, or its equivalent.
3. Earn a cumulative 2.75 or higher grade point average for all required prerequisite coursework,
4. Earn a cumulative 2.75 or higher grade point average in the last 60-semester credits of attempted undergraduate coursework. The last 60-semester credits:
  - a. Must be directed toward an academic program of study,
  - b. May not be occupational, technical, certificate, or professional training capacity coursework,
  - c. May not be developmental or remedial, and
  - d. Will be determined at the discretion of the College of Nursing
5. Transferable credit will not be given for any course completed with less than a C grade/less than a 2.0 grade point average,
6. Complete an interview with the Admissions Committee,
7. Submit official transcripts from all institutions previously attended,
8. Submit official Test of Essential Academic Skills (TEAS) test results dated within the past 12 months, and
9. Meet the current minimum requirements of the Test of Essential Academic Skills (TEAS) examination as indicated by Roseman University of Health Sciences, College of Nursing-Nevada.

Beginning on Page 6, the following notations have been added in Appendix A:

- “Must include labs” under the Human Anatomy & Physiology Part I and II requirements
- “\*Required for both Bachelor of Science and Accelerated Bachelor of Science in Nursing Programs” under the following prerequisites:
  - Chemistry/Biochemistry
  - Human Anatomy & Physiology I and II
  - General Microbiology
  - Statistics
  - US and Nevada Constitution
