

Satisfactory Academic Progress (SAP):

Defined as the successful completion of coursework toward an eligible program. The Financial Aid Office is obligated by federal law to monitor a student's SAP status.

How is this pace calculated?

This is done at the end of each term (*Fall, Spring, and Summer*) and applies to a student's entire academic history at Gavilan College, whether or not they have received financial aid.

Standard Apply to:

- ✓ Federal Pell Grant,
- ✓ Federal Work Study
- ✓ Federal Direct Student loans
- ✓ Federal Supplemental Education Opportunity Grant
- ✓ Cal Grant
- ✓ Student Success Completion Grant
- ✓ Gavilan Promise Program
- ✓ Chafee Grant

**Chafee recipients should reach out to the Financial Aid to determine eligibility.*

SAP Requirements:

- ✓ GPA – Maintain a minimum cumulative GPA of 2.0 for all attempts units at Gavilan College
- ✓ PACE: Must complete 67% of all classes you attempt at Gavilan College
 - ❖ **Attempted Coursework** includes classes with grades of F, No Pass (NP), Emergency Withdrawal (EW), Withdrawals (w), No Credit (NC) and report Delayed (RD).
 - ❖ **Completed Coursework** includes classes with grades of A,B,C,D, Credit (CR) and Pass (P).

Maximum Time Frame – Stay within 150% of the units required to complete educational goal.

- ✓ At Gavilan College, an Associate's Degree takes 60 units to complete. Therefore, the maximum number of units that a student may take in order to maintain their financial aid eligibility is 90 units (60 units multiplied by 150%). However, not all academic programs are 60 units in length, such as Certificates of Achievement and Specialist Technical Programs. The Maximum timeline is calculated specifically for each individual academic program:

Please see chart below for a clear visual presentation.

Program	Total Units Required for Program	150% of Program
Certificate	30 Units (for most certificates)	45 units attempted
Associate or Transfer Degree	60 units (for most AA/AS degrees)	90 units attempted

Regaining Your Financial Aid

Students have two options to resolve their SAP in order to regain financial aid eligibility at Gavilan College:

Option 1: Reinstatement

Student can regain financial aid eligibility by completing enough classes in good academic standing to increase their overall PACE and Cumulative GPA to the minimum requirement. This may take the student a few semesters. Reach out to our Office for more detail about how many units you would need to reinstate.

Option 2: Submit an SAP Appeal through Student Forms

If you do not meet SAP requirements, you're given the opportunity to appeal the loss of financial aid by addressing why you were not able to meet requirement and explain your extenuating circumstances that prevented you from completing.

Examples to appeal include but not limited to:

Accident/Injury/Death	Other Medical Circumstances	Loss of	Other
