

Your 2018-19 California Dream Act (CA-DREAM) was selected for review in a process called verification. The law says that before awarding State aid, we must ask you to confirm the information you and your parents reported on your Dream Act. To verify that you provided correct information, the Financial Aid Office will compare your Dream Act with the information on this worksheet and with any other required documents. If there are differences, your Dream Act information may need to be corrected. You and at least one parent must complete and sign this worksheet, attach any required documents, and submit the forms to Gavilan.
