

Declaring a Financial Aid Eligible Major

In order to qualify for **grants** (Pell, Supplemental Education Opportunity Grant, Cal Grants), **student loans** and **Federal Work Study** (student employment), you're required to declare an eligible major.

According to our records, you've declared a major that's not eligible for financial aid:

- Undecided/Undeclared
- Certificate of Proficiency
- Non-Credit
- Certain Certificates of Achievement (LA_CSU_CA; LA_IGETC_CA)

How do I declare financial aid eligible major?

1. Meet your counselor regarding the "Change of Major" form.
2. **If your counselor is in general counseling, you may meet with them during walk-ins or make an appointment.**
 - a. For counseling hours and locations, visit: <http://www.gavilan.edu/counseling/location.php>
 - b. Appointments can be made online at:
<http://www.gavilan.edu/eSARS/eSARS.asp?WCI=Init&WCE=Settings>
 - c. If you have trouble with link, visit the counseling appointment page online:
<http://www.gavilan.edu/counseling/appointments.php> and click on link to make an appointment online.

-OR-

If you are part of special program, request appointment with your counselor.

3. Present the "Change of Major" form (see page 2 of this PDF). After your counselor collects your form, your major will be updated by Evaluator within 2-3 business days.
4. To confirm Financial Aid eligibility after change of major form is submitted, contact Financial Aid at 408-848-4725 or via email at: vmartinez@gavilan.edu
