

**2018 – 2019**  
**Gavilan College – Financial Aid Office**  
**Parent Request for Professional Judgment**

If your parent has experienced extenuating circumstances (financial, household size) in 2018, you may request a review of your information to determine if **professional judgment** is appropriate. Professional judgment is used by the Financial Aid Office only when the outcome results in a lower **Expected Family Contribution (EFC)**. The EFC is used to award federal grants, work study and student loans.

You will be required to provide supporting documentation to verify your situation.

The Financial Aid Office will notify you as to the outcome of this request.

This is a 3-part process.
