

Your 2016-17 Free Application for Federal Student Aid (FAFSA) was selected for review in a process called verification. The law says that before awarding Federal Student Aid, we must ask you to confirm the information you and your parents reported on your FAFSA. To verify that you provided correct information, the Financial Aid Office will compare your FAFSA with the information on this worksheet and with any other required documents. If there are differences, your FAFSA information may need to be corrected. You and at least one parent must complete and sign this worksheet, attach any required documents, and submit the forms to Gavilan.

1. Call 1-800-908-9946. Be sure to request Tax Return Transcript, not an account transcript.
2. Go to www.irs.gov and click on "Order a Return or Account Transcript" link to order a Tax Return Transcript.
3. Go to www.irs.gov and click on "Get Transcripts for My Tax Records" link to download a Tax Return Transcript. This option is temporarily unavailable, but will be restored in the future.

Be aware that option 1 & 2 can take up to 10 business days for delivery of transcript via mail.

*You will need the Social Security Number, date of birth, and address on file with the IRS (normally this will be the address used when the 2015 IRS tax transcript was filed). It takes up to 2 weeks for the IRS income information to be available for electronic tax return filers, and up to 8 weeks for paper IRS tax Return filers.

For faster alternative to requesting the IRS Tax Return transcript, you can correct your FAFSA online by going to www.fafsa.gov and using IRS Data Retrieval Tool (DRT). If you use DRT, and change the information, you must submit a Tax Return Transcript.
