Hi Tejal!

17:46:15 From Dana Young to Everyone:  
I like the idea of ushering

17:52:12 From Jane Maringer-Cantu to René Craig-Marius(Direct Message):  
Did you get a chance to review our ASC memo? I want to send it out tonight. I want it to be very clear!

18:00:16 From René Craig-Marius to Jane Maringer-Cantu(Direct Message):  
Before this training I was in the equity committee so am multi-tasking right now. Will look at it as I can during this training :).

18:01:04 From Jane Maringer-Cantu to René Craig-Marius(Direct Message):  
That would be terrific, Nikki, Sabrina & Dr. Avila replied already! I'll wait!

For my 8-week late start class, the students were asked to do the evaluation before the class started. This has happened several semesters in a row.

18:19:18 From Indira Kaljo to Everyone:  
Will this be posted for us to watch later?

18:19:41 From Dana Young to Everyone:  
@Raylene That's crazy!

18:19:43 From Christine Taylor to Everyone:  
That is the goal, yes Indira. We've created a new page for it out on gav.edu

For me, it's part of the tenure process...

18:20:48 From Max Rain to René Craig-Marius(Direct Message):  
Hi René, I attended the TFO training last year, and evaluated part time faculty members since then. However, it looks like the TFO list available on the FPLC site has not been updated for a couple years, and I don't see my name on it. (I'm sure i'm not alone) Not a big deal, but just wanted to let you know.

18:22:12 From René Craig-Marius to Max Rain(Direct Message):  
Thank you so much Max for letting me know. Folks on this training will be included and Christine will ensure the list is updated and posted on the FPLC site.

18:22:42 From Max Rain to René Craig-Marius(Direct Message):  
Thanks!

18:23:04 From Christine Taylor to Everyone:  
Key Word: SIGNED please.

18:24:30 From René Craig-Marius to Everyone:  
As a faculty member myself, I always kept a copy. It's a good habit and practice.

18:24:40 From René Craig-Marius to Everyone:  
Sometimes things get lost.

18:26:53 From Christine Taylor to Everyone:  
The handbook is in the PDF attached to tonight's meeting and also now available on <https://www.gavilan.edu/staff/fplc/tfo/index.php>

18:27:20 From René Craig-Marius to Everyone:  
Thanks Christine!

18:28:48 From Scott Sandler to Everyone:  
Yes, John. Checking off numbers is not, in itself, meaningful.

18:32:24 From René Craig-Marius to Jane Maringer-Cantu(Direct Message):  
I reviewed it and sent you an email. Looks good other than my name is misspelled :)

18:33:42 From Scott Sandler to Everyone:  
You also need to spend the time to get a clearer picture of the instructor's vision and design for the

day. If you leave too early, you miss all that.

18:34:37 From Jane Maringer-Cantu to René Craig-Marius(Direct Message):

Ooh, good catch, I'll fix that! Nick approved it too. I'll send it out after our training. Sorry about that!

18:34:59 From René Craig-Marius to Jane Maringer-Cantu(Direct Message):

No worries. Thanks so much for all you do :).

18:35:21 From Ursula Holzmann to Everyone:

18:45:06 From Nick Fortino to Everyone:

Just to clarify, did you say that part time faculty can choose who will be observing them? Do they need to select someone, or is this just an option for them?
