Providing a 3rd elective estate course (required) will create a full program for students pursuing their real estate license at Gavilan Community College rather than needed to attend the 3rd class elsewhere.

V. Executive Summary

Please provide a brief executive summary regarding program trends and highlights that surfaced in the writing of this report. Summarize, using narrative, your program goals for this year. Your audience will be your Peer Review Team, the program review Committee, President's Cabinet, Dean's Council, ASGC, Academic Senate, Budget Committee and Board of Trustees (300 words or less).

The State of California requires completion of the course to be eligible to site for the Real Estate licensing exam: Principles of Real Estate (RE160), Real Estate Practices (RE162), and a third, elective real

estate-related course. Currently, only the two required classes are being offered, making the Real Estate coursework incomplete sending the students elsewhere to complete the third course.
