Jillian Wilson

Jillian is a classified professional coming to ASGC on behalf of other classified professionals trying to start a classified senate. They only have a union currently, and their main purpose is to represent in negotiations, grievances and compensations. They aren't really involved in shared governance the way a senate is and they're their only representation at the moment. There's a group of professionals who would like to start a classified senate and is sharing with everybody who's in shared governance and plans to come back to answer any questions that we might have.

Blanca adds that she's very excited for the classified Senate because she's heard that other schools have a classified senate and is really happy because we can talk about how students should come involved and we can discuss student representatives for it as well

Matthew Quevedo

2 years ago he came by for measure B sales tax measure. He works with the silicon valley leadership group and is working on bring 4.5 million dollars to traffic in the bay area, and its potentially 2 million more residents in the next 2 years. There are 9 million currently in our highways, roads and transportation systems, and he's passing out a flyer on which stations will be improved. Investing in a bart from San Jose to Santa Clara. He emphasizes that this is a regional effort, not more of a localized one and is looking into reducing traffic congestion in 2016. Previously he got 8 of 10 universities to support measure b, and if there's still time to do an endorsement process he'd love to come back and do one for us all. In his capacity w silicon valley leadership group they actually do represent gabilan and hopefully can get out the word for our community and all of santa clara county. plans to leave his card.

Blanca says in the future if you want to come back just to email us.

Blanca says this is awesome and to think of all the new connections there would be should this be approved

6.1 President

this week has been focusing on getting students to know that voting time is running out, and letting them know what the write in position stands for. a lot of people say that they will vote. next week he'll be at president's council. he went to the VPAA hiring committee for round 2. their screening will happen on the 16th and they have a very specific process for how this is going to work and how they'll rank the applications by how they'll serve us and our community also today is star wars day

7.1 Hollister Saddlehorse Parade Plans, Adam Lopez, President (15 min)

Motion to adopt 7.1, J. Ochoa

MSC L. Aparicio

*Adam hasn't heard back from Bobbi jo on the saddlehorse parade, and since we aren't sure on the scheduling for this, and the manpower we'll have, we are hesitant to commit to this
blanca says to only vote yes if you know you're going to be able to help, so you aren't committing on behalf of other people.*

8.0 Discussion Items

8.1 ASGC End of Year Celebration, Adam Lopez, President (10 min)

To be held Thursday the 24th on breakfast at 9:30

motion to extend time by 2 minutes, D. Chavez

MSC J. Ochoa

to be held at mimi's cafe at 9:30 on 5/24

8.2 ASGC Textbook Scholarship Fall 2018, Blanca Arteaga, Advisor (10 min)

Ryan and her met and we need to start advertising for our scholarship for next semester based on our schedules we kept the scholarship the same but we said we'd make the deadline the 15th which is a wednesday which would give us two days for review, then they can go get their books. the semester starts august 28th

it would be due two weeks before the semester so they can come to class with their books already prepared

will advertise on super saturday and at the library

Brianna and Leslie will start posting around campus

8.3 Update on Printing Policy, Blanca Arteaga, Advisor (5 min)

We had talked about this a while ago, we said we would use this so ASGC can raise funds

through posters and we added the process, but changed the guidelines. now have to complete a request form, wait a week for your application to be processed (by the business office). refer to poster printing policy. they have to pay at the business office and bring their receipt there's an issue with verifying how we would verify someone is a gavilan student we'll start an excel sheet for accountability of poster printing

8.4 Criteria for John Pruitt Scholarship, Blanca Arteaga, Advisor (15 min)
after reviewing some scholarships, the way scholarships have been done is students complete one application and it automatically sends it to all scholarships for all students. some of the questions we thought of asking are if they're a dreamer, if they qualify for financial aid, what's their GPA, etc. will add a little blurb about who john pruit is will give the option to have a letter of recommendation 3-2 vote to have it be optional to none at all

9.0 Communications From the Floor

adam has 2 things

there was a visual they were given at presidents council as they were redoing the shared governance handbook and its to explain how campus shared governance works and they're coming with a new one to help make the process look easier since we've kinda been stuck with the old one. instead of gears its tree rings.

got an email from kyle billups on the student survey for accreditation its a survey that'll help them alot in the process for the upcoming year. May 11th is for standard 4 and then it's about finishing the final draft, it's a long process but an important process.

Blanca says for her class she says she'd be willing to give her students a couple of extra credit points
