None.

7. **Discussion Items**

7.1. Club Day Debrief: Nolan Golden, Chair (20 min)

Critiques: Date changing an issue, not much of a carnival theme displayed. How are we going to work with college hour in order to incorporate and welcome all students?

Pros: Location, free food. Lack of chairs encouraged engagement and movement.

Ideas: A host on both sides of event to encourage others to join. Moving and adjusting speakers.

Can we hold it in the cafeteria? No chairs in order to encourage engagement.

Ryan Shook
