

GAVILAN  
COLLEGE

# STEM OPEN CAMPUS

**SATURDAY, APRIL 30**

**11:00 AM - 1:00 PM**

**Courtyard next to Math Bldg.**

The STEM Academy program provides comprehensive support to help students complete their coursework to transfer. Support includes: stipends, faculty mentoring, and access to a lending library for textbooks and other supplies. There are also general education classes with a STEM focus. We work in partnership with San Jose State on internships.

**Speaker:**  
David Argudo  
Engineering & Physics  
Instructor
