

Stanford University

NOW HIRING: INTERNS

APPLICATION DEADLINE: 01/31/2024

nano@stanford

STANFORD UNIVERSITY NANO FACILITIES PAID INTERNSHIP

Join our research community! Learn how things are made and seen at the micro- and nanoscale, and develop transferrable lab skills through experiential learning while supporting research.

WHAT YOU'LL DO

- Learn fabrication and microscopy techniques
- Create Instagram and YouTube training content
- Collaborate with expert staff mentors
- Build community, share experiences, and inspire others

JOB DETAILS

- Commitment of at least 8 hours per week (hours are flexible)
- Work for at least two quarters
- Salary ~ \$21 per hour
- No prior background or experience is required. **All training will be provided!**
